## ***Intern Application***

### **Page Two**

Please answer these questions on a separate sheet:

1. Why do you want to be a Congressional Intern?
2. Are you expected to write a paper as a result of your internship? Will you be given credit towards your degree as a result of this internship? (Please note: Students participating in their College or University Intern Program or those receiving college credit may not receive a stipend inasmuch as some programs prohibit stipends.)
3. How did you learn about the intern program?
4. Are you applying with any other Congressional Office (House or Senate), or with an agency for an internship? If so, please specify:
5. Are there any areas of Congress or government that you would like to give major attention to during your internship?
6. Will you require assistance in locating housing during your internship?
7. Due to recent budget cuts, we may be forced to provide internships on a “voluntary” only basis. If there are no funds available to provide a small stipend, would you still be interested in working for our office?

#### 2001 Summer Sessions

	First Choice	Second Choice
May 21-June 29	_____	_____X_____
July 2 –August 10	_____X_____	_____

1. I have always been interested and involved in different areas of government. Being the granddaughter of a former Oklahoma State Senator I was raised with a respect for our government, and a desire to learn as much about it as possible. Serving as a page for the Oklahoma State Senate was an experience that truly whetted my appetite for knowledge of our government and how it works. After touring Washington D.C. on a 4-H trip, I knew that I wanted to work closely with our government. I feel interning with you and your staff would not only fulfill a life long dream, but will allow me to obtain skills and opportunities that will be invaluable in the future.
2. I will have to put together a portfolio illustrating what I learned and the duties I performed during the course of my internship. I will present my portfolio to my graduate advisory committee and department head. I will receive 6 hours of graduate credit.
3. I learned about this internship after calling and inquiring at Congressman Carson's office.
4. I have applied with Congressman Wes Watkins.
5. I would like to give major attention to learning about the Agriculture or Rural Development Committee.
6. I will need help locating housing.
7. Even if budgets were cut, I would still want to intern with Congressman Carson.
